

1995 Morgan +4 T16 (4-Seater, RHD) £14500

Reduced to sell!

1995 Morgan +4 T16 (4-Seater, RHD)

A well-presented, well-cared-for 4-seater Morgan in a classic colour combination of green over black. This car has benefitted from thoughtful additions over the years, resulting in a strong overall specification and low ownership.

The current owner has cherished the car and this is a very reluctant sale. It is in great condition for its age, but will need light recommissioning before regular use.

Ideal for a family, extra luggage space, or even transporting pets, this is a fantastic and cost-effective way into Morgan ownership—especially if you're handy with the spanners.

Specification:

RHD

3 former keepers (current owner since 2015)

Lovely file of old MOTs and receipts

Walnut dash

Wood-rim steering wheel

Wind deflectors

Logo headrests

Door check straps

We have identified a list of recommissioning work and would be happy to carry out any or all of it for the new owner. The car starts, runs and drives very well; the main items to address include: Radiator replacement, Front suspension spring (snapped) Water pump (noisy) Rear dampers, OSF wheel bearing, Auxiliary belt and tensioner, Indicators stuck on plus a few minor items.

The good news is it had a timing belt replacement in 2025.

Price: £16,995
