

1997 Morgan Plus 4 T16

£22995

1997 Morgan Plus 4 T16 – Connaught Green | Exceptionally Low Mileage | Extensive Recent Recommissioning

A well presented and highly original 1997 Morgan Plus 4 T16, finished in classic Connaught Green with black wings and complemented by a full traditional specification including piped leather upholstery, mahogany dashboard, chrome wire wheels and full-width bumpers.

Powered by the lively and highly regarded 2.0-litre 16-valve Rover T16 twin-cam engine, this Morgan combines traditional British sports car charm with surprisingly spirited performance, making it one of the most enjoyable Plus 4 variants to drive.

Having covered exceptionally low mileage and benefited from very few owners, the car spent a number of years in storage before being professionally recommissioned. To ensure it was returned to the road correctly, almost £10,000 has recently been invested in mechanical refurbishment and preventative maintenance, providing significant peace of mind for its next custodian.

Recent works include:

- New kingpins and bushes
- Cambelt replacement
- Major service
- New brake hoses throughout
- New wheel cylinders
- Front brake caliper rebuild
- Radiator rebuild and new thermostat
- New dampers fitted all round
- New battery
- Alternator rebuild

Our Services

New Elms Classic Cars are leading Morgan, Lancia, and prestige classic car specialists based in the Thames Valley.

- Servicing & Maintenance
- Vehicle Storage
- Motorsport & Competition
- Performance Upgrades

In addition, the car is currently booked in to receive a brand-new hood, further enhancing both its appearance and usability.

This is a wonderful opportunity to acquire an increasingly sought-after Morgan that retains all the marque's traditional character, while benefiting from extensive recent expenditure. The major recommissioning work has already been completed, allowing the next owner to simply get in and enjoy the car.

Priced at just £22,995.
