1999 Morgan 4/4 1800 Zetec

24,000 miles | 3 former keepers | Fresh MOT included

Meet *Matilda* – our much-loved Morgan 4/4. She's been part of the family for years, first as our hire car and then tucked away when her last owner retired to France. She's been in wedding photos, car shows, countryside picnics and even Goodwood Revival – always putting smiles on faces wherever she goes.

She's finished in a lovely **metallic silver with red leather interior**, and has the lively **1800 Zetec engine with 5-speed gearbox** – plenty of fun, and nice and easy to look after. She also comes with full-width bumpers, badge bar, "easy-up" roof levers, PVC roof and side screens, plus a full tonneau cover.

Now, the honest bit: she's been in storage since 2021, so we're selling her as a **light recommissioning project**. We'd suggest a service and probably a cambelt, and the roof has been patched (see pics). We'll put her through a pre-sale check and a fresh MOT before she goes, but she's sold without warranty.

If you're after a bright, characterful Morgan that's ready to be enjoyed again, Matilda's a great one to pick up and make your own.

£17,995 – priced to sell.
