

## 2007 Morgan 3.0 Roadster phase 1

£29,995

The 3.0 Roadster is powered by a **3.0-litre V6 engine**, producing around **223bhp**, driving the **rear wheels through a 5-speed manual gearbox**. With its **lightweight aluminium body**, traditional **ash frame construction**, and low overall weight, the Roadster offers **strong performance and very direct handling**. Performance is brisk, with a **0–60 time in around 5 seconds** and a top speed of approximately **130mph**, while still retaining the classic Morgan driving feel.

We are pleased to offer this **highly specified Phase 1 Morgan 3.0 Roadster** in excellent condition throughout.

Finished in **metallic paint** with **stainless steel wire wheels** and **blue leather sports seats**, the car also benefits from a great factory specification including elasticated door pockets, tread rubbers, easy-up roof, mesh grille, map light, spare wheel and tonneau covers, sun visors, walnut dashboard, coloured wing beading, paint protection film, two-ear spinners and chassis cover, along with a stainless steel luggage rack.

The car has covered **just over 31,000 miles**, has had **only one owner from new**, and comes with an **excellent full service history**, having been serviced by ourselves every year. There is a large and tidy paperwork file to support this.

It has **recently been serviced** and will be supplied with **12 months MOT**.

Available to view straight away from our showroom in Reading.
