

2009 Morgan Roadster 3.0

£29995

2009 Morgan Roadster 3.0l.

Introduced in 2004 to replace the Plus 8, the 3.0 Roadster is a powerful, reliable and essentially affordable way into owning a powerformance Morgan. Powered by the 3.0-litre Ford V6 producing around **223bhp**, driving the rear wheels through a 5-speed manual gearbox, it combines traditional Morgan character with genuinely impressive performance.

We are pleased to offer this superb example; well presented and in excellent condition throughout. It drives exceptionally well, feeling tight and agile on the road, changing gear smoothly and pulling strongly throughout the rev range.

With its lightweight aluminium body, traditional ash frame construction and low kerb weight, the Roadster delivers brisk performance, reaching 0–60mph in around 5 seconds with a top speed of approximately 130mph, while retaining the engaging and distinctive driving experience for which Morgan is renowned.

Finished in **Indigo Blue** with a **Stone leather interior**, the car is very well specified from the factory, including:

- Easy-up mohair hood
- Walnut dashboard
- Wood-rim Moto-Lita steering wheel with polished aluminium boss and leather-covered centre
- Elasticated door pockets
- Three tread rubbers
- Mesh grille
- Map light

In addition, the car benefits from paint protection film, a leather bonnet strap, tonneau cover, spare wheel cover and a stainless-steel luggage rack with side screen storage facility.
