

2012 Morgan Plus 4 2.0 Duratec

£32,500

2012 Morgan Plus 4 2.0 Duratec

2 previous owners | Under 9,500 miles

This 2012 Morgan Plus 4 is a well-presented example with just two previous owners and fewer than 9,500 miles from new. It has clearly been well cared for throughout and is a great opportunity to own a low-mileage Morgan.

Finished in **Jaguar Sapphire Blue Metallic**, the paintwork is complemented by a **Saddle Brown leather interior**, a combination that suits the traditional lines of the Plus 4. The easy-up mohair hood, full-width chrome bumpers and luggage rack complete the classic Morgan appearance.

Inside, the cabin features Saddle Brown leather upholstery, a walnut dashboard, wood-rim Motolita steering wheel with matching boss and horn push, dash-mounted clock, elasticated door pockets and the footwell lighting package. The attention to detail and handcrafted finish are all part of the character these cars are known for.

Power comes from the reliable 2.0-litre Ford Duratec engine, paired with a five-speed manual gearbox. The Duratec-powered Plus 4 offers a good balance of performance, reliability and usability, making it equally suited to relaxed drives through the countryside or longer touring trips.

This car is well specified and includes:

- Stainless steel 6-inch wire wheels
- Spare wheel with matching cover
- Full-width front and rear bumpers
- Colour-matched sun visors
- Elasticated door pockets
- Walnut dashboard
- Organ pedal
- Dash-mounted clock
