For Sale: 2006 Mercedes-Benz CLK 280 Convertible – Low Miles, High Spec.

A beautifully presented 2006 Mercedes-Benz CLK 280 Elegance Convertible, combining classic Mercedes styling with smooth V6 performance and effortless open-top driving. With under 75,000 miles and a nice service and maintenance record, this car has clearly been well cared for and remains in excellent mechanical condition.

Finished in silver with a grey leather interior and blue fabric roof, it looks every bit the refined, timeless cruiser. It comes with a 3.0L V6 petrol engine paired to the desirable 7-speed automatic gearbox, offering a relaxed yet responsive drive. The car has had four keepers from new and comes with two keys and a well-documented history file.

Originally £45,000 new, this example also benefits from £8,500 of factory options, including COMAND APS navigation, ventilated leather seats, Xenon headlights, metallic paint, Parktronic, upgraded alloys, wood trim, climate control, telephone preparation and CD system.

A major B-Service was completed at Mercedes-Benz Carlisle at 72,582 miles in June 2024, with only around 3,000 miles covered since, adding further confidence to its mechanical condition.

A refined, well-specified and low-mileage example of the CLK 280 Convertible — ready to be enjoyed.

4 keepers in total and priced at just £5995.

*Please note the car will come with registration WP06GWO
