

Morgan Aero 8 Mk.4 4.8 Manual

£59,995

Morgan Aero 8 Mk4 – 4.8 BMW V8 Manual

A superb example of the highly sought-after **manual** Mk4, fitted with the powerful 4.8-litre BMW V8 producing an impressive **362 BHP**, paired to the desirable **6-speed manual gearbox** — arguably the specification to have.

The **Morgan Aero 8 Series 4** represents the final and most developed evolution of Morgan's iconic Aero line. Hand-built in Malvern, the Series 4 combines traditional British craftsmanship with modern aluminium chassis engineering and BMW V8 power. In manual form, it is widely regarded by enthusiasts as the purest and most desirable specification.

Finished in **Alfa Romeo Black Metallic** with a beautifully appointed **dark red leather interior**, this car presents stunning contrast and presence. The cabin is further enhanced by **piano black wood trim**, a contrasting **graphite dashboard**, chrome interior mirror and elasticated door pockets. A black mohair roof with full weather equipment completes the specification.

Fitted with a **side-exit sports exhaust**, the car delivers a truly intoxicating V8 soundtrack — a dramatic, head-turning piece of automotive design wherever it goes.

Importantly, the car has undergone an **80% respray**, eliminating the usual Aero 8 stone chipping and corrosion concerns. The finish presents exceptionally well.

Provenance & History

- **3 owners from new**
- Current owner custodian since **2011**
- Maintained by ourselves during this period — we know the car well
- **27,000 miles**
- **11 service stamps** in the book
