Morgan Roadster 100 No. 21 of 63. £32950

Morgan Roadster 100 No. 21 of 63.

A rare opportunity to acquire a particularly special Morgan, this 2009 Roadster 100 is number 21 of just 63 examples produced to celebrate the centenary of the Morgan Motor Company.

As noted on the Roadster 100 Register website, the centenary was a landmark event in Morgan's history, commemorated with a very limited production run. The Roadster 100 combines traditional Morgan craftsmanship and character with the performance of the 3.0-litre Ford V6, making it a fitting tribute to 100 years of Morgan motoring.

Finished in exclusive Amazon Green Metallic with a complementary Biscuit leather interior, this example has covered just under 29,000 miles from new and benefits from eight recorded services. This roadster has a particularly attractive specification that complements its limited-edition status.

Specification and features include:

- Stainless-steel wire wheels with Morgan two-eared spinners
- Limited-edition number plate on the firewall (No. 021)
- Matching green mohair hood and side screens
- Stainless-steel luggage rack with side-screen facility
