

ONLY 1800 MILES! 2013 Morgan 3 wheeler.

Deposit taken

2013 Morgan 3-wheeler

Only one owner from new

Under 1800 miles on the clock!

Gleaming sport green paint with a saddle tan leather interior.

The chrome work is in excellent condition!

Certificate of conformity present.

Factory fitted option of pvc tonneau cover in black, toad immobiliser, bright pack and leather map pockets.

Clearly been used sparingly with an average of 150 miles per year and it really shows in the overall condition of the car.

For those of you that know, you can ignore this... For those of you who don't, the Morgan 3-wheeler was first available in 2012 and was fitted with an S&S V twin 2.0 engine mated the fantastic 5 speed Mazda box offering 82hp and 140NM of torque at only 525kg!

0-60 takes 6 seconds but feels faster, however real the beauty of these cars isn't how fast you go but how wide your grin will be when you reach your destination!

These things are an exhilarating attack on the senses, with all the majesty of the noisy motorbike derived engine and the wind rush you really can't beat it as a driving experience!

We will fully check the car over and will give a fresh service and MOT before sale.

Please note this is an early car with no notable mods or recalls and is priced as such but also to reflect its exceptionally low mileage and excellent condition.
